PROFILE

Innovative Front End Developer who uses his Graphic Design knowledge as an advantage. Proficient in React, HTML, CSS, and Javascript; plus modern libraries and frameworks. Able to grasp new skills quickly and efficiently. Even more so, passionate about learning the process.

EDUCATION

UC Berkeley Full Stack Coding Bootcamp   **May 2018 - Nov 2018**
San Francisco, CA
Received certificate of completion.

Notre Dame De Namur, Bachelors Degree   **Aug 2012 - May 2016**
Belmont, CA
Received honors in Cum Laude.

EMPLOYMENT HISTORY

Co-Founder / Developer, The Graphic Jar   **Jan 2017 - Present**
Online Freelance

The Graphic Jar is a graphic design freelance that a friend and I started. My core activities include:

- Work with clients to design their desired project in the timeline and budget they provide.
- Develop website and project builder app where potential clients can visit.
- Manage firebase database of past and current projects. As well as maintaining host site functions such as SEO and marketing platform.
- Research and maintain corporate necessities such as legal affairs, trademarking, and bank statements.

Photo Retoucher, The Real Real   **Jun 2017 - Dec 2018**
Brisbane, CA

The Real Real is a luxury item consignment company. As a photo retoucher, my core activities included:

- Create image composites with live models for luxury named items using Adobe Photoshop.
- Color correct hundreds of images daily using Adobe Lightroom.
- Clear out unnecessary background objects from images that will be able to upload to the website.
- Check image quality for any immediate issues that would be created from other departments.
